

FOR YOUR SUNDAY DINNER

try the following delightful dessert:
 1/2 cup English Walnut meats.
 1/2 doz. figs, cut up fine.
 1 10c. package JELL-O, any flavor.
 Dissolve the JELL-O in a pint of boiling water. When cool and just commencing to thicken, stir in the figs and nuts. Serve with Whipped Cream. Delicious. The walnuts, figs and JELL-O can be bought at any good grocery. This makes enough dessert for a large family and is very economical.

AUCTION AT OAKRIDGE

Foley & Fisher, of St. Petersburg, Will Start the Sale Monday April 13th

Monday morning, April 13th, Messrs. Foley & Fisher, auctioneers and real estate dealers of St. Petersburg, will hold a sale of the pretty residence lots in Oakridge, Mr. David S. Woodrow's select colored addition on the west side of the city lying in the corner made by the crossing of the Seaboard Air Line railroad and the Shady Grove boulevard.

There are quite a number of the lots, 50x-100 feet with a broad avenue running diagonally through the property. There is quite a lot of nice shade trees on the property and much grading of streets and sidewalks has been made and a gang of men and teams are now occupied in this work.

This property is by far the closest in and best located of any sub-division that it will ever be possible to offer the colored people and it is expected that those of the better class will take advantage of the same and buy lots for homes or investment. Free lots will be given in Oakridge for churches, lodges, etc., wherever such organizations will build on the property thus dedicated.

The titles to this property are perfect and no taxes will be due until 1909. The prices are very reasonable and most liberal terms will be given to the purchasers. Some valuable presents will be given away on the

grounds at the sale, and music, ice water, etc., will be supplied free. This will be one of the greatest days in the lives of the colored people that the city has ever known. The sale has been thoroughly advertised for one hundred miles around and an immense crowd is expected to attend.

The colored people can rest assured that whatever representations are made them will be fully carried out. They have Messrs. Foley & Fisher's and Mr. Woodrow's guarantee for this.

COMFORTING WORDS

Many a Florida Household Will Find Them So

To have the pain and aches of a bad back removed; to be entirely free from annoying, dangerous urinary disorders is enough to make any kidney sufferer grateful. To tell how this great change can be brought about will prove comforting to hundreds of Florida readers.

A. Oerting, seaman, of 419 L. St., Pensacola, Fla., tells how to do it. He says: "From experience with Doan's Kidney Pills I can strongly recommend them to anyone in need of a good medicine for the kidneys. Kidney complaint and backache caused me suffering at intervals for years. The first or second attack I did not mind, but as time went by they grew worse and at times laid me up. I could hardly walk and it was a difficult matter to straighten after stooping while the kidney secretions were irregular and unnatural. Doan's Kidney Pills cured me. From personal experience I know that this remedy can be depended upon to fulfill the representations made for it."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.
